THE UNIVERSITY OF CHICAGO
DEPARTMENT OF CHEMISTRY
RECORDS

1. The first part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

2. The second part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

3. The third part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

4. The fourth part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

5. The fifth part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

6. The sixth part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

7. The seventh part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

8. The eighth part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

9. The ninth part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.

10. The tenth part of the record is a list of the names of the persons who have been associated with the Department of Chemistry since its organization in 1892. This list is given in alphabetical order of the surnames of the persons, and includes the names of the persons who have been associated with the Department in any capacity, whether as students, as assistants, or as full-fledged members of the staff.
